1.INTRODUCTION

Brands, like people, have personalities. The most successful brands understand that a distinctive personality can not only make a brand's promise more believable. It can also make a brand and it's promise more memorable, enhancing its stature and building customer loyalty, adding weight to the brand's competitive position.

To enhance recognition and memorability for the 945 Princess brand, these attributes of our brand personality must become a part of every communication we produce. This brand identity guide is designed to outline 945 Princess's brand visually and to provide the tools necessary to ensure that the 945 Princess brand is communicated in a clear, consistent manner. Reference this guide when developing a marketing or communications strategy on behalf of 945 Princess.

6. COLOUR PALETTE

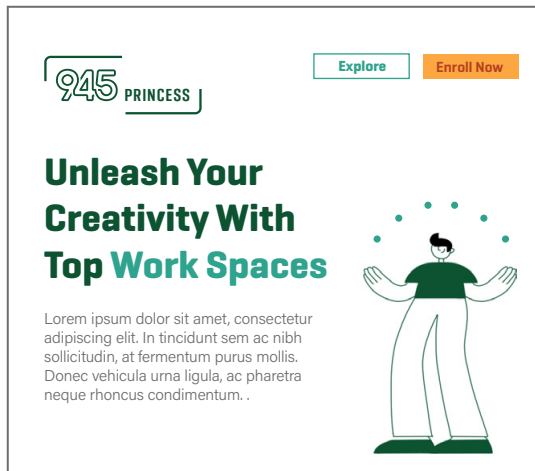

Palette Practical Examples

Greens are predominant.

Red and yellow are to bring contrast and interest, highlights.

Grey is great for longer texts and thin frames.

White for backgrounds and over the main green.

7.TYPOGRAPHY

Primary Typeface: Geogrotesque

Geogrotesque Font is a modern font family. Although the type family has a geometric or “technological” construction, the rounded finish provides it a warm appearance, making the typefaces appear more attractive and familiar. Geogrotesque has been conceived to be used as a display typeface in publications or intermediate length texts, most of all the Medium and Semibold weights which were meant to be used in large sizes.

7.TYPOGRAPHY

Secondary Typeface: Acumin

Acumin is a versatile sans serif font family that was designed and intended for a balanced and rational quality. Solidly neo-grotesque, it performs beautifully at various display sizes but also maintains an exceptional degree of sensitivity for text sizes.

Use primary font for titles and subtitles and the Secondary for paragraphs.

9.STATIONERY

Establishing Brand Image

Branded stationery promotes the business continuously and non-intrusively. Essential to make an excellent first impression, stationery should work hand-in-hand with the other marketing materials to boost brand recognition. It collectively creates a polished and organised look that is sure to impress customers and business associates alike.
